## Kindergarten Registration Friday, May 8

Friday, May 8, has been set as the date for the pre-registration of all Albany children who will be attending Albany kindergarten classes next fall. Children who will be five years of age on or before December 2, 1959 meet the legal minimum age requirement for enrollment. Children born after this date will not be registered under any circumstances.

Registration will take place in the Cornell auditorium, the Marin Kindergarten room and the Vista and MacGregor lobbies from 1 to 4 on Friday, May 8.

Registration at Vista School will take place in the school lobby, 720 Jackson Street. The Vista area includes all of Albany west of San Pablo Avenue. Parents living in the University Village should register their kindergarten children at this time at Vista School but only if they will be living in Albany during the coming school year.

Those having questions concerning specific school area boundary lines should call the Administration Office at the Albany City Schools, LAndscape 66441.

Parents must bring their child's birth certificate and be prepared to fill out health forms, which include a record of vaccinations, immunizations, and childhood diseases. School officials have indicated that it is extremely important that all children of kindergarten age be pre-registered on May 8 so that the necessary classes can be organized and teachers assigned when school opens next September 14.

## Albany Rotarians Work Saturday on Little League Field

Members of the Albany Rotary Club, together with other volunteers, will report at 9 o'clock Saturday morning, April 25, to work on the baseball field project, including installation of outfield fences, dugouts and sideline fences preparatory to the opening of the Albany Little League scheduled which opens May 9. The field is located at the Albany Recreation grounds at University Village. Realtor Joe Eyring will be in charge of the project and can use at least 20 or 30 volunteers.

The officers, managers and coaches of the Albany Little League have been busy the last two weekends installing a new backstop on the field. When the work is completed there will be two diamonds available for play, which will be necessary with more than 250 candidates signed up.

## Parents to Again Sponsor All-Night Graduation Party

Leaders in the senior graduating class at Albany High School are urging members of the class to be sure and plan on attending the gala all-night graduation party on June 11, starting a half hour after the close of formal ceremonies.

Sponsored and planned by parents of the senior class members a never-to-be-forgotten night of fun is promised, including professional Hollywood talent, dancing to a good orchestra, and games for everyone. And there'll be a lot of good food. "This is your night — Enjoy it," says the notice sent out to class members.

The luncheon, as usual, will be held at the Red Barn Restaurant, and presided over by the president, Dr. Everett Coe.

The committee in charge consists of Attorneys Cecil Lavers, Gartner Thomas and Walter Brophy. Judge Hardie will visualize his experiences, past, present, and expectations for the future.

The proposal was approved unanimously.

**WILLIAM T. "BILL" DONAHUE** returned from a business trip to Chicago last Thursday, where he visited the Chicago Rotary Club No. One on Tuesday, April 14. For sentimental reasons, says Bill, the club has never been broken up and has a membership of more than 800. The average attendance, one of the members told him, is only about 70. How they get even that many in view of parking problems, Donahue says he can't figure. Donahue is a past president of the Richmond Rotary Club.

**OPEN HOUSE WILL BE HELD MONDAY**, April 27, from 7:30 p.m. until 9 p.m. at Vista School. All parents are invited to come and visit with the teachers and acquaint themselves with their child's class room.

## Albany Funeral Director Again Named Member of the Order of the Golden Rule

Mrs. May Ellis Olson, of the Ellis-Olson Mortuary, 727 San Pablo Avenue, was notified today that the firm has again been designated as Berkeley-Albany-El Cerrito's only member of the Order of the Golden Rule for the thirteenth consecutive year.

The honor, conferred upon this distinguished funeral directing firm by the Order, an international affiliation of dependable funeral directors, comes as a result of the firm's having met the Order's rigid standards for continued membership.

In announcing the reaffiliation of the Ellis-Olson organization, the Executive Secretary of the Order said that continued membership means that each member must search for new and better ways of serving his community, and that each funeral director-member must provide exceptional service at moderate cost, without the sacrifice of dignity, courtesy and respect.

The distinction of membership in the Order, the Executive Sec-

JEROME BLANK  
Albany's new Mayor.

## Blank on Council For Last 9 Years, Two As Mayor

Albany's new mayor has lived in Albany for the last 34 years. He is a graduate of the Cornell Grammar School, and of the Herbert Hoover Jr. High School, now Albany High. He was graduated from the University of California in Mining Engineering with the Class of 1940.

Following 4½ years service in the U.S. Navy aboard the USS Louisville, Blank retired as a Lt. Cmdr. He formed his own real estate business in Albany, Jerome Blank Realty at 1530 Solano Avenue, which he has owned for the last 13 years.

He was president of the Berkeley Realty Board in 1957; president of the Albany Junior Chamber of Commerce in 1950, receiving that organization's award as "Young Man of the Year" in 1952. He was president of the Albany Chamber of Commerce in 1950. He is a member of the Albany American Legion Post, and of the Albany Rotary Club.

Mr. Blank is a member of the staff of U.C. Extension Division, teaching a course in Real Estate. He recently returned from a trip to the southern end of the state where he lectured before local real estate boards on behalf of the California Real Estate Association.

Mr. Blank, who is 39, lives with his wife Muriel, and their two daughters, aged 7 and 9 years, at 1013 Ramona Avenue.

## Blackout Luncheon At Methodist Church

## Albany Funeral Director Again Named Member of the Order of the Golden Rule

retary confirmed, is usually conferred upon only one funeral director in each community, although in very large cities, more than one funeral directing firm may apply for membership.

All members, to receive and maintain membership in the Order, must have, and continue to receive, the unqualified approval of the people in the community.

By virtue of its membership in the Order, the Ellis-Olson firm will continue to display the identifying symbol of the Order, a knight and shield emblem displaying the Order's motto: "Service Measured Not by GOLD, but by the GOLDEN RULE."

In acknowledging the firm's reaffiliation with the Order, Mrs. Olson said, "I and members of the staff are extremely proud of the honor accorded us. Our firm will faithfully adhere to the principles of the Golden Rule in providing outstanding service to the people of this community."

The Order of the Golden Rule is now beginning its thirty-second year of service to funeral directors on five of the six continents.

The Albany City Council elected a new mayor and a new vice-mayor at its regular meeting Monday night. Councilman Jerome Blank, who previously held the title of mayor for two years in 1951 and 1952, was nominated by Councilman Keck with a second from Councilman Donahue. The vote was 3 to 0, with Councilman Blank and Councilwoman Zahn abstaining.

Councilman Howell, previous to calling for nominations, had announced that he was not a candidate for re-election. Howell has been mayor for the last six years.

Councilman William T. Donahue then nominated Councilman Leonard L. Keck for vice mayor and the vote was again 3 to 0, with Mrs. Zahn and Keck abstaining.

On taking the chair Mayor Blank remarked that he would make a temporary appointment to the finance committee, of which he has long been chairman, naming Donahue and Howell to that committee, with himself ex-officio and the third member.

On motions by Keck, which were unopposed, resolutions were to be prepared by City Attorney Foley, praising Howell and Donahue for their long-time faithful performance of the duties of their respective offices.

In other action telegrams were ordered sent to Assemblyman Mulford urging strong opposition to Assembly Bill 1351, which would make municipal offices partisan instead of non-partisan. Similar action was taken with respect to AB 2181, now pending in the legislature, and which would extend terms of the "Brown Act" to "Committees" as well as to legislative and similar bodies.

Bids from five firms on a replacement for Albany's ten-year-old street sweeper, were read and ordered referred to City Engineer Dayton. Owing to the urgent need for replacement of the old equipment, Mayor Blank later announced the calling of a special meeting of the council for Wednesday, April 22, at 8 o'clock to hear the recommendations of the city engineer and to take appropriate action.

Before adjournment Mayor Blank read a two-page proposal designed to streamline the city's finance department along modern lines. The Times is printing the mayor's proposal in full.

## New Administrative Program for Albany

To the Albany City Council, from Councilman Jerome Blank, Chairman, Finance Committee: Re Proposal to set up Department of Finance.

In the interests of streamlining the financial functions of the City of Albany, and in order to establish a central area for the uniform processing and development of all fiscal and budgetary functions, as well as to make for a more efficient handling of the city's financial affairs, I propose that the city attorney prepare an ordinance creating and establishing the Department of Finance of the City of Albany. This shall be administered by the head of that department, to be known as the Director of Finance.

The Director of Finance shall be the head of department and shall have the power and shall be required to:

1. Have charge of the administration of the financial affairs of the city under the direction of the City Council.

2. Compile the annual budget and make a monthly report of the budget expense and income for the city council, showing actual expense and income as against estimated expense and income.

3. Maintain a general accounting system for the city government and each of its offices, departments and agencies.

4. Supervise and be responsible for the disbursement of all moneys and have control of all expenditures to insure that budget appropriations are not exceeded; audit all purchase orders before issuance; audit and approve before payment, all bills, invoices, payrolls, demands or charges against the city government, and with the advice of the city attorney, when necessary, determine the regularity, legality and correctness of such claims, de-

**Equipment Rental  
Business Opens**

"Rent it from 'Chuck'" is the slogan of Charles Byars, in announcing the opening of his new equipment rental business at 666 San Pablo Avenue, Albany, corner of Castro Street.

Albany's newest businessman, who also is a licensed building contractor with many years' experience in construction, saw the need of a local business to provide tools and equipment on a rental basis for the many persons in need of such items for a short time.

Byars pointed out that it is much cheaper for the "do-it-yourself" workman to rent a tool by the hour or day, than to tie up hundreds of dollars in cash in buying and storing expensive equipment.

Such items as garden tools, home workshop tools, cement mixers, floor finishing equipment, chain saws, welding machines, utility trailers, and even a nucleometer, are available for rent. "Whether it's a screwdriver or air compressor," said Byars, "Rent it from 'Chuck'!"

## Home Movies Preserve Childhood Moments

A CHILD AT PLAY or even in rare moments of relaxation is one of the best and most entertaining subjects for home-movie making. It is important, however, to have a camera that can capture properly these never-to-be-repeated moments—and is certain to make sharp, properly exposed pictures under all lighting conditions. Such a movie camera is the newly introduced 8mm Bolex Compumatic D8-L. In this three-lens turret model, the electric eye's light-sensing element is placed behind the lens. This way the electric eye measures only the image-forming light. Thus, the proper lens opening is automatically obtained for only the amount of light that actually reaches the film. This is the most accurate way to determine exact exposures. Other convenient Bolex features include seven different filming speeds, variable shutter, and zoom-type finder which adjusts to match each of the three lenses. The local franchised Bolex dealer now has D8-L cameras available for demonstration.

## VFW Auxiliary To Be Host To County Council

Albany Auxiliary 2658, Veterans of Foreign Wars, will be the hostess group for all the auxiliaries in Alameda County, when they entertain Alameda County Council, of which they are a part. Meeting will be on Tuesday, May 12, 8 p.m., at Albany Veterans Memorial Building, Portland and Ramona.

President Franke Evers will preside, and the main business of the evening will be the election of officers for 1959-60. Senior Vice-President Alice Maruna will be a candidate for the office of president.

A joint installation with men of the Alameda County Council will be held on Saturday, June 6, 8 p.m., at the Alameda Veterans Memorial Building, Central and Walnut Streets. The installing officer will be assisted at that time by the Alameda County Installing Team captained by Helen Osterero. This team is composed of members of several auxiliaries in this county, and this installation will be the final one of the year.
